# The Embers Camping Story

CREATING OUTDOOR  
SUSTAINABLE EXPERIENCES

---

Embers has been the go-to camping destination for many families since 2013 - 250,000 stays and counting! We believe that by getting people in the outdoors and sharing the experience with friends and colleagues, creates lasting memories.

All this, on the most sustainably managed campsites in the UK. Clean, Fresh, Active.

Embers Camping is a Carbon Positive brand
